78TH STREET PLAYSTREET ENHANCEMENT Between Northern Boulevard and 34th Avenue

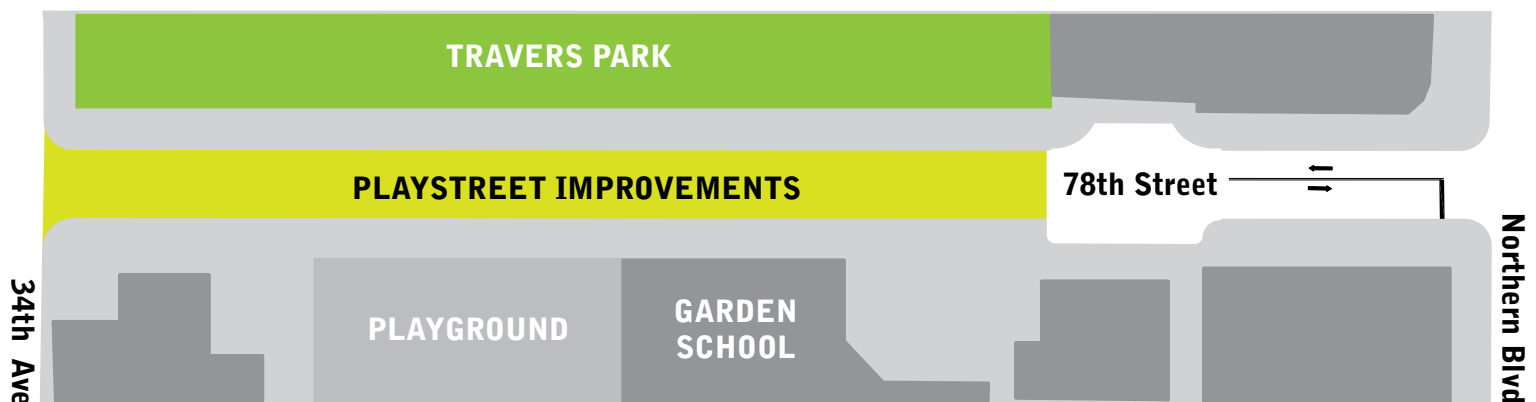

Create a new turnaround

Reduce vehicular conflicts

On August 20th, NYC DOT will begin making improvements on 78th Street, including:

- Adding 13,000 SF of permanent public space to Jackson Heights.
- Permanently closing the southern section of 78th Street to through traffic; creating a dead-end street and new turnaround on the northern section of the block to allow vehicles to enter and exit 78th Street from Northern Boulevard.

Implementation starts on August 20th
